We are proud to announce that as of March 6, 2017, we have enacted revenue sharing among all of our kitchen staff. In addition to salaries and hourly wages, 5% of all food sales will be shared directly with our talented chefs, line cooks, prep team, bakers, and dishwashers. This hard-working crew is comprised of culinary school graduates, first time restaurant employees, immigrants, artists, and creative, intelligent people, all of whom work together to put delicious food on your plates.

Warmly,
